

Through health information exchange, OneHealth New Jersey connects members of the health care team to help improve clinical outcomes, reduce inefficiencies, and positively impact patient safety.

CONNECT.
ANALYZE.
ENGAGE.
TRANSFORM.

What are you waiting for? Get **CONNECT**ed and let OneHealth New Jersey provide you with the tools necessary to:

- Access patient information in a timely, secure manner
- Improve care coordination and patient safety
- Increase physician/patient communication
- Meet requirements for MIPS/APMs

Join OneHealth New Jersey and **CONNECT** to health care providers and facilities in New Jersey, across the country, and around the world.
